Good Morning Meghan or Kip,

I was wondering if you could send me your draft permit documents? I want to start drafting my decision document for this project and will try and cut and paste some things from your documents. We won't be issuing until the NPDES permit is finalized, but I want to try and get a head start.

Just an FYI, I do plan on attending the Public Hearing. Some others from the Corps might come as well.

Thanks!

Respectfully,
Katy
